

American Public Works Association  
Colorado Chapter

2022 Construction Inspection Conference

### Exhibitor Booth and Sponsorship Form

The APWA (American Public Works Association) Colorado Chapter will be holding their annual 2022 APWA Construction Inspection Conference, Thursday, February 3 (8:00 am to 4:30 pm) and Friday, February 4, 2022 (8:00 am to 2:00 pm) at the Lone Tree Arts Center, 10075 Commons Street, Lone Tree, Colorado 80124.

The conference typically has ten one hour sessions on a wide variety of construction topics and the attendees are comprised of an estimate of 150+ Public Works Inspectors and Project Managers from Counties and Cities around the state, with the largest majority from the Front Range/Metro Area.

This is an opportunity to provide your support at this conference and to be recognized for your contributions by participating with an exhibitor booth for \$200. The booth fee includes a 6' table, table linens, chair and registration for one representative. Additional representative registrations can be purchased for \$100. In addition to the marketing benefits of the exhibitor booth, the exhibitors are able to attend the sessions during the conference. We are limited to 10 exhibitor tables so they are available on a first come, first served basis but are not reserved until payment is received.

Additionally, if your organization is interested in co-sponsoring a breakfast, snack or lunch with the APWA Colorado Chapter, for either the first or second day of the conference, please indicate below. Sponsoring one of the two provides your organization a marketing opportunity to promote your organization during the event.
